of the walls. It just really needs to meet some of those requirements and you have to understand with the technology we have today in this world, we have to move forward to the twenty-first century when we will see, probably, more type learning centers off campus where kids will be able to get their education, as they are doing now.

SPEAKER KRISTENSEN: One minute.

SENATOR VRTISKA: They are doing now at Nebraska City. They are doing it at Beatrice. They are doing it in Omaha. They are doing it in Lincoln. They are doing it in Falls City. And that trend, in my opinion, will probably continue to grow because all of our institutions of learning are, in fact, taking on the new technology there in order to get an education. That doesn't mean that you don't go to the campus at all, but it means you can get a lot of the subject matter that's needed in order to further your educational opportunity. I'd like to...is my time about up?

SPEAKER KRISTENSEN: You've got about thirty seconds, Senator.

SENATOR VRTISKA: Okay. Well, I'd better close and I'll talk a little bit later about some of the other things that I haven't got around to talk about, but I do wish...I hope that you can...you can look at what I've told you, you can understand what the issue is, and you will, in fact, be favorable in moving this bill forward, and we can have more discussion about what I think is a very, very important issue for this body to decide this year.

SPEAKER KRISTENSEN: Time.

SENATOR VRTISKA: Thank you.

SPEAKER KRISTENSEN: Senator Wehrbein, you are recognized to open on the committee amendments.

SENATOR WEHRBEIN: Yes, thank you, Mr. Speaker, members. They saw the committee amendments, should be in the Journal and they also are in your bill book. The bill, under the committee amendments, appropriations for Peru State College capital
